to Cancer services**

Support your local hospital and community

Give a gift to Cancer Services. Leave a lasting impact on future generations of family and friends.

Why leave a gift in your will to Frimley Health Charity?

Leaving a legacy gift is a meaningful and lasting way to express your gratitude to Cancer Services and ensure that the same exceptional care is available to others in the future. By including Frimley Health Charity in your will, you can:

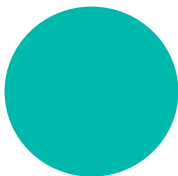

Transform lives: Your gift will directly contribute to advancements in medical technology, research, and facilities, allowing us to provide state-of-the-art care to every Cancer patient who walks through our doors.

Enhance your community: By supporting Frimley Health NHS Foundation Trust, you are investing in the wellbeing and health of your immediate community. Together, we can create a brighter future for the people you hold dear.

Make a lasting impact: Your legacy gift to Cancer services will be a testament to your compassion and generosity, leaving a positive imprint on countless lives for years to come.

"What better thank you for a second chance at life than to make a gift in my will? It gives me peace of mind knowing that future generations will have access to the same outstanding level of emergency and ongoing care that I am eternally grateful for."

Brian, Cardiology patient and legacy pledger

"Mummy was so grateful to Wexham Park Hospital, Dr Offer and the team at Eden Ward for their kindness, support, passion, and caring hearts. Her legacy gift in her Will felt very natural, as they had become her little extended family away from home"

Reema, Daughter of Vijay Chopra

How to leave a gift?

Thanks to the incredible generosity of those who have left a legacy gift, our hospital has flourished and continued to provide exceptional care to our community. From state-of-the-art robotic surgical equipment to ground – breaking research initiatives, every aspect of our hospital has been enhanced through gifts. Leaving a gift in your will to Frimley Health Charity is simpler than you might think. Here's how:

Choose your gift: Please chat with us if you have a specific area that is close to your heart, so we can make sure your gift is possible. We encourage our pledgers to consider a residual gift - a percentage of your estate, such as 5% (after family and friends have received any gifts you may want to give).

Seek professional advice: Consult with your solicitor or legal advisor to include a charitable bequest in your will. They will guide you through the process and ensure your wishes are fulfilled.

Notify us: Inform Frimley Health Charity of your intention to leave a gift in your will. We would love to express our heartfelt gratitude and welcome you to our circle of supporters.
